PERSONAL SUMMARY

I am a career driven electrical technologists with an end goal on my horizon. I am enthusiastic and eager to exercise my electrical experience in order to gain more technical skills in a challenging work environment while contributing to meet deadlines and yield deliverables expected of me. I enjoy working as I am an easy person to work with and enjoy being part of a successful technical team, but also thrive in individual projects. I aim to make meaningful contribution to the department success when given an opportunity. I have three years of experience in the electrical engineering at Tsogo sun technical department in maintenance and repair of peripheral devices and I am willing to relocate.

OBJECTIVE

To work in an environment which encourages me to succeed and grow professionally where I can utilize my skills and knowledge appropriately and also apply my technical expertise

EDUCATION

Electrical Engineering | Walter Sisulu University
BTECH 2021
NATIONAL DIPLOMA 2019

National Senior Certificate J.S Skenjana Senior Secondary School
2013

EXPERIENCE

Candidate Intern | Department of Public Works and Infrastructure
OCT 2021 - PRESENT

- Procure material or service provider for maintenance task.
- Plan and independently conduct inspection assessment in ensuring compliance
- Assist technologists and associates in field, workshop and office activities
- Adhere to safety standards in line with statutory and regulatory requirements.
- Provide inputs into existing technical manuals, standard drawings and procedures.

- Provide inputs into the developments, maintenance and management of current technologies.
- Monitor quality on maintenance tasks
- Manage maintenance projects for infrastructure service delivery
- Compile monthly reports for maintenance of projects
- Compile project files for the duration of the project
- Request approved construction drawings from the Project manager and check compliance
- Update QC file timeously
- Conduct condition assessment as per requirements of SANS and GIAMA
- Forward the condition assessment report as per the requirements of GIAMA
- Forward condition assessment report as per the OHS requirements to immovable asset
- Customer Focus
- Compile Bill of Quantities
- Manage Projects

Technical Assistant • | Hemingways Casino FEB 2018 — SEP 2021

- Installation of Electrical/Electronic Devices
- Compile Daily and monthly reports
- Component Testing
- Troubleshooting of Electronic and electrical tilts
- Repairing of communication equipment
- Write detailed reports on fault findings
- Testing and service calls
- Perform relevant maintenance activities on equipment
- Maintenance of machine communication systems

Tutor Leader | Walter Sisulu University FEB 2017— OCT 2017

- Facilitate a learning climate that is open and non-threatening but rigorous such that students should be comfortable to identify their module difficulties openly.
- Be familiar with learning objectives of both the unit and the program as a whole to progressive learning and a backdrop for evaluation
- Recognize the evolving of group development and the different roles that a facilitator plays at different stages
- Encourage critical thinking and ensure that the students knowledge is challenged and probed
- Assist in academic success strategies

ATTRIBUTES & COMPETENCIES

- Excellent communication skills
- Analytical thinking and planning
- Solve problem efficiency
- Good technical report writing skills

- Report writing skill
- Accuracy and attention to detail
- Attentive
- Team player
- Adaptability and ability to work under pressure
- Interpersonal skills
- « Engineering design and analysis knowledge
- Time management

- Project management
- Customer service orientation

Competent user of MS Office (Word, Excel, PowerPoint and Outlook), MATLAB, C++, Interpretation of technical and internet tools and AutoCAD

OTHER

Membership

- o Registered as a candidate engineer with ECSA
